

## **DROP-OFF, PICK-UP, AND PARKING**

Carolina School for Inquiry traffic may enter from Fairfield Road/Route 321. To drop off or pick up students, parents should pull into the circular drive in front of the school and proceed as far along the drive as possible before stopping (close to reentry to Fairfield Road). Parents needing to park should use the lot in front of the cafeteria, NOT the spaces along the circular drive.

### Morning Drop-Off

CSI staff members are on duty from 7:30 a.m. until 8:15 a.m. daily to welcome students in front of the school. Students are to exit from cars on the curb side only. To increase safety and efficiency all drivers should remain in line and follow the car directly in front of them. Any student who arrives after 8:15 a.m. must be signed in by a parent in the office and will be marked tardy.

### Afternoon Pick-Up

Students will be waiting by class near the end of the circular drive shortly after the 3:00 pm dismissal. Drivers should display the name card issued by CSI on the passenger side of their windshield and pull as far forward as possible along the circular drive in order to pick up their student(s). All students must load from the curb side. As in the morning, cars are to stay in the car line and are not to pull around to pass another car. If, for any reason, there is an exception to this, a faculty member will instruct the driver to pull around.
