

Carolina School for Inquiry

Friends of CSI

Dear Friends of CSI (FoCSI):

It is hard to believe the summer is over and it is time for school! The Friends of CSI (FoCSI) Executive Board has been working hard and has many exciting things planned for the 2009-2010 school year. The purpose of this letter is to inform you about what is happening during the first half of the year at CSI with regards to the Parent-Teacher-Student Organization. It is always our goal to have open communication between the FoCSI board and the CSI community.

Many people will ask: "What does FoCSI do with the funds it raises"? This year our main focus will be on playground equipment for the students as well as books for the media center. Our incoming FoCSI board, with the guidance of the school administration, will target projects that best serve the CSI's students *and* their academic goals.

The new school year will get started with our FOCSI Membership Drive. Any parent, family member, guardian or school staff member is eligible to join FoCSI on annual basis. Dues are \$5.00 per adult. Please make checks payable to "Friends of C.S.I.". (See attached form). FoCSI is very active and strives to enhance the educational experience of each child at CSI. Volunteering your time with FoCSI is truly appreciated and welcomed! If you are unable to volunteer, we still appreciate your valuable financial support!

We will do our best to keep you updated on FoCSI through newsletters that will be sent home in your children's book bags as well as information on the website. Please make sure you give us your information on the attached form and we will call/email to advise when volunteer opportunities arise.

Getting involved and supporting the school helps build a strong school which benefits everyone! Also, it's a great way to meet teachers and other parents.

We hope this letter helps shed some light on FoCSI, and we hope you will support our efforts to make Carolina School for Inquiry the greatest school ever! Please process the attached form and have your child return it to their teacher or directly to the main office.

Let's get involved and make this a great school year! You can make a difference!

Sincerely,

Deirdre Davis-Blunt
