Carolina School for Inquiry

The American Dream finally becomes a glorious reality in the unlikely of candidates.

Barack Obama-44th US President Elect

Dear Friends-

This month has historical significance in our nation's history. We watched history in the making before our eyes with minority candidates (Governor Sarah Palin, Senator Barack Obama, and Senator Hillary Clinton) in the presidential race, and one elevating to become the next president of these United States of America. The Early Elementary classes sponsored our mock debate and election. This process turned out to provide great insight into the election process. We would like to thank Attorneys Samuel Mokeba (Barack Obama) and Robert Brown (John McCain) for increasing our awareness and helping us to better understand the issues in the past election.

We are planning to take a group to the Presidential Inauguration. If you are interested in attending and having your child attend, please let your child's teacher know in writing. We are in the process of checking traveling rates and lodging. This is a great opportunity for you and your child. We look to hear from you-
Victoria Dixon-Mokeba

Get out the Vote (GOTV) was strongly encouraged by the CSI registration team.

Students eagerly register and cast their votes for the next president of the United States of America.
