

June 1, 2011

Dear Families,

My name is Sheryl Wechsler and I will be your child's teacher for the 2011-2012 school year. I am very excited about joining the Early Elementary team at Carolina School for Inquiry and am working hard to prepare a great school year for your child.

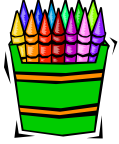

I am a 2010 graduate of Columbia International University where I completed my Master of Arts in Teaching degree. I also have a BA in Psychology from New College of Florida where I focused on developmental psychology and gifted education. In addition to my educational experience, I have several years of experience working with youth. I spent 8 years volunteering in the Cub Scout program in which I was a Den Leader, Cubmaster and District Roundtable Chair. I also worked at the Lexington County Museum for 5 years and was responsible for presenting hands-on educational tours to K-5th grade students. At home, I am the mother of two boys: Evan is a junior at Clemson University and is pursuing a computer science degree and Sean is a junior at Dutch Fork High School and plans to attend culinary school. In my free time, I enjoy baking, hiking, and reading.

I am enclosing a class supply list. Please bring the items with you on the first day of school, Monday, August 15th. In addition to the supplies, please bring a family photograph that we can post in our classroom. I will be contacting you during the week of August 8th to set up home visits. If you have any questions or concerns, please feel free to contact me at shanshaw@carolinaschoolforinquiry.org. I look forward to personally meeting you!

Sincerely,

Mrs. Sheryl Hanshaw
