Hello friends. It is my sincere hope that you had an enjoyable spring break with family and friends. We are ready for another awesome week of exploring and learning here at CSI. We would like to thank all families for the overwhelming response of food and snacks for our 1st Spring Egg Hunt. The students had a blast. The silver egg was found by rising kindergartner, Meredith Clark and the golden egg found by Roderick Bishop. Thanks for all that you do for the students, families and staff .

Please read the reverse of the newsletter to give you a more in depth view into mathematical instruction here at CSI. If you have questions about any area of the curriculum, the staff and I are here to serve you and your child. It is our goal to help you understand your child's learning.

The 3rd quarter report cards will be sent home on Wednesday. This will be the standards based report card. You will find that the standards are listed on the report card along with the indicators under each standard (which emphasize what students should know and able to do under each standard.) As you are aware, letter grades are not administered at CSI. If you have questions about your child's progress report, please make an appointment with your child's teacher.

PACT PREPARATORY ACADEMY

PACT Preparatory Academy begins tomorrow from 3:00-4:45 pm. In order for students to attend ,parents must sign and return the academy form and agree to all terms and conditions. Students will be given a light snack to offset the afternoon munchies. This academy is for students in grades 3-5 only. If you would like to purchase individual materials please indicate this on academy form.
